

Let's Rally for Mental Health Parity Now!

Show Your Support for the Paul Wellstone
Mental Health Equitable Treatment Act

Thursday, June 10, at 12:00 Noon

WE NEED A GOOD TURNOUT TO...

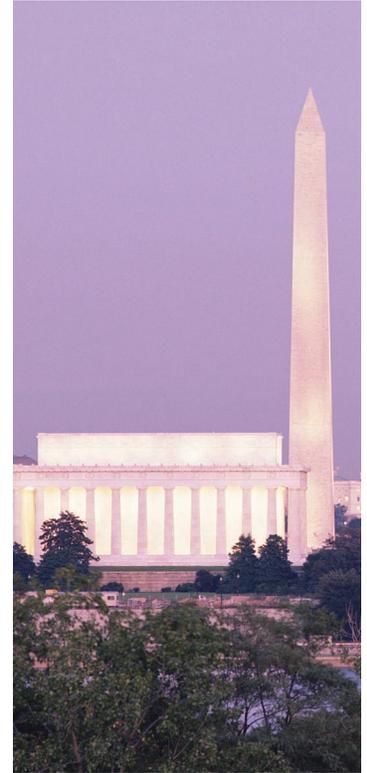

- Encourage the Congress to pass the Parity bill before July 23!
- Help stop the use of one-size-fits-all limits on mental health care and help each patient access the care that is appropriate for his/her condition.

Senator Pete Domenici and Representatives Patrick Kennedy and Jim Ramstad, Sponsors of the Legislation, will speak, along with David Wellstone, son of the late Senator.

WHEN: Thursday, June 10, 2004

TIME: Noon to 1:00 p.m., with music following

WHERE: "Upper Senate Park" at Constitution Avenue and Delaware Avenue, NE, just west of the Russell Senate Office Building (see map)

WHY NOW?

- We need to show the strong grassroots expression of support for MHETA.
- We need a visible representation of the 365 groups that support MHETA (S. 486/H.R. 953)! See www.mhlg.org.
- We need to send a clear message to the press and to our opponents that parity is alive with growing support.

Transportation: Those driving should park in the pay parking lot in Union Station, three blocks to the north. On the Metro system, the Upper Senate Park is closest to the Union Station stop on the Red Line. It will be a 10-minute walk to the rally site. Taxis can drop people off on Constitution Avenue, NE. We are seeking a room in the Senate Office Buildings as a backup rain location.
